Dear Mr. Reiter:

Thank you for submitting a copy of the Building Code Ordinance for the Village of Maple Bluff.

As required, the ordinance has been reviewed for compliance with section ILHR 20.06 (1)(b). The ordinance is acceptable to the Department in that it adopts the Uniform Dwelling Code (UDC). Village of enforcement of the UDC can proceed under a certified inspector per s. ILHR 20.10.

Please give me a call if you or your inspector have any questions about UDC administration or the code itself.

I am enclosing a copy of the UDC Commentary which should be helpful as you begin enforcement of this code.

Sincerely,

Gerald P. Marx
